

INDIA'S FASTEST GROWING COMPANIES

India's Growth Champions return to the spotlight

As India embarks on a mission to build an *Atmanirbhar Bharat*, a handful of visionary entrepreneurs are scripting the charge in world's centrestage, with exceptional growth stories

Much before the disruptive forces of the pandemic struck the world, the global economy was already experiencing a steady slow down, and the Indian economy was no exception. Despite the adverse milieu, a section of Corporate India continued to climb towards an upward trajectory with extraordinary grit

of the Indian economy. It represents the crème-de-la-crème of companies that have mastered the art of growing from strength to strength, year after year.

This annual ranking puts into the spotlight the fastest growing companies among all Indian industries regarding revenue. Companies must

have generated minimum revenue numbers over a three-year period to register and

apply, be independent entities, and have primarily demonstrated organic growth.

Participating companies are asked to share their revenue figures for the financial years 2016/17 and 2019/2020 as well as some additional information. Here we are showcasing only Top 50 companies. The entire ranking covering 100 companies (including growth rates) can be seen online.

Given the current slowdown of global economies, it is essential that we hold aloft the stellar contributions of standout companies as extraordinary examples of what can be achieved. India's Growth Champions is a reflection of a company's mercurial growth and rising stature, which will have a compounding effect to further speed up growth.

and determination, to write a new chapter of success. Amid the changing business dynamics of the new normal, a clutch of young Indian companies have pivoted and excelled despite substantial hurdles.

In today's new reality, a young and savvy India seeks to open transformational growth that can spur economic recovery and position the country among the world's most significant developing economies. India Inc. companies are playing a pivotal role in this story, not only by creating value and addressing key societal needs, but in supporting a vibrant entrepreneurial sector, fighting uncertainties.

After the success of the inaugural edition, The Economic Times and Statista have once again joined hands to unveil the second edition of India's Growth Champions 2021, an ambitious initiative that aims to highlight true accelerators
