

Waljat College of Applied Sciences (WCAS), Oman

“We wanted a customized solution as per the country-specific (Oman) requirements. For this, we wanted a product with good functionality and that is customizable as per our needs. Academia was one such product that delivered on our requirements largely and other parts were customized.”

- Yogeshwar Krishnan

Manager Finance & Incharge for ERP Implementation,
Waljat College of Applied Sciences (WCAS), Oman

Pressing Challenges

Solutions Implemented via Academia ERP

 Fragmented departmental systems leading to inefficiencies	 Implemented a unified ERP system to integrate and automate institutional functions
 Need to integrate Student Information System with the Ministry of Higher Education	 Integrated Academia ERP with the Ministry's official systems
 Complex fee structure for sponsored students	 Customized fee management module to address sponsorship-specific configurations
 Requirement for a tailored accounting system	 Deployed a configurable accounting system aligned with institutional needs
 Need for an automated payroll system compliant with national regulations	 Introduced an employee payroll system adhering to Omani labor regulations
 Demand for an integrated student registration platform	 Implemented an online student registration system
 Manual processes causing administrative delays	 Automated key academic and administrative workflows
 Lack of access to real-time analytics	 Enabled real-time dashboards and advanced reporting tools
 Challenges in resource utilization and optimization	 Centralized data and systems for better oversight and resource planning

Benefits

-  Enhanced operational efficiency and process streamlining
-  Improved regulatory compliance and seamless data exchange
-  Simplified fee management and accurate financial handling
-  Improved financial control and reporting accuracy
-  Streamlined payroll processing and ensured legal compliance
-  Efficient enrollment process with reduced manual workload
-  Faster task execution and reduced human errors
-  Informed decision-making and enhanced strategic planning
-  Improved resource allocation and cost efficiency

Academia Impact

50%

Employee time saved annually for sending data to the government authorities

30%

Student & faculty time saved per semester for course enrollment

60%

Increase in online payments

Institution Profile

Waljat College of Applied Sciences (WCAS) was established in 2001 by H.E. Dr. Omar Bin Abdul Muniem Al Zawawi to offer high-quality international education in Oman, preparing students for modern careers. WCAS partners academically with Birla Institute of Technology (BIT), Mesra, India—founded in 1955 by philanthropist B.M. Birla—renowned for excellence in technical education and research.

About Academia

Academia is a leading-edge Student Information System / ERP developed to cater to the needs of 21st century educational institutions. With Academia, all departments, functions, and processes get automated, which leads to better transparency, efficiency, and productivity. The system covers complete student life cycle from Admission to Graduation, along with administrative processes.
